Let's Get Started

We offer a full spectrum of services when it comes to general contracting, from overhauling and restoring commercial spaces to building brand new luxury residential homes; Speak with us to see how we can help you with your next commercial or residential project.

03 Hair Salons

Whether you're looking to upgrade and refurbish your existing salon, or looking to build an entirely new fitout, RenoPro Contracting can help transform the look of your salon.

Uptown Toronto Hair Salon

This was probably one of our most enduring constructions yet and is evident in the design details in the photos. Our team was able to coordinate with developers and WSIB to give this high end salon in Toronto a phenomenal look complete with exotic stone, expensive finishing, ceilings, millwork and paint.

04 Optometries

New retail renovations speak volumes to its customers, competition as well as staff and management, and deciding to renovate simply demonstrates the confidence in the future of that business.

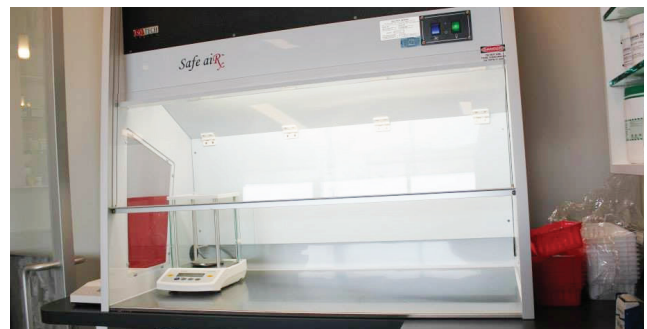

Optometry Office in Stouffville

This design and build project was completed beyond expectations on a quick timeline, and involved a completely new build, four walls and a floor. In addition, an intricate custom designed ceiling was installed to match the millwork combined with lighting and fixtures.

05 Pharmacies

With a wealth of experience in healthcare construction, our capabilities today span the entire gamut of industry sectors allowing us to assist in commercial construction projects of any size or scale.

Pharmacy in Toronto

To complete this pharmacy construction in Toronto, we first had to entirely gut the unit to install new HVAC, security and pipeline systems. Our team then followed all the small details in the architectural design to complete this project to specs.

06 Full Service Renovations

The highest quality of workmanship for commercial and residential renovations. If you're thinking of any home or commercial remodeling, give us a call, and it would be a pleasure to discuss ways we could work together!
